2017–2018

Phillips Academy
ANDOVER

Statement of Purpose

Phillips Academy, a residential secondary school, seeks students of intelligence and integrity from diverse cultural, racial, socioeconomic, and geographic backgrounds.

The school's residential structure enables faculty to support students in their personal, social, and intellectual development. The academic program fosters excellence in all disciplines within the liberal arts tradition. Faculty members guide students in mastering skills, acquiring knowledge, and thinking critically, creatively, and independently. The school strives to help young people achieve their potential not only intellectually, but also artistically, athletically, and morally, so that they may lead responsible and fulfilling lives.

The Academy is committed to establishing a community that encourages people of diverse backgrounds and beliefs to understand and respect one another and to be sensitive to differences of gender, ethnicity, class, and sexual orientation. In its programs, the school seeks to promote a balance of leadership, cooperation, and service, together with a deeper awareness of the global community and the natural world.

Andover's 1778 Constitution charges the Academy to prepare "youth from every quarter" to understand that "goodness without knowledge is weak . . . yet knowledge without goodness is dangerous." This obligation challenges students in mind, body, and spirit to see beyond themselves and to go beyond the familiar; to remain committed to developing what is finest in themselves and others, for others and themselves.

This revised version of the Statement of Purpose, voted by the faculty in winter 2000, reaffirms the Academy's goals set forth in the Constitution of 1778.

This directory is intended for the sole use of faculty, administrators, staff, and students of Phillips Academy, as well as current parents. Commercial use of the directory is prohibited, and permission for any other use must be secured from the head of school's office.

Note regarding the 2017–2018 Academic Calendar:

Because dates and events listed on Phillips Academy's academic calendar are subject to change throughout the school year, we are not including the academic calendar in this directory. To view an up-to-date academic calendar, please visit the Academic Resources section of PAnet.

The Office of Communication prepares this directory with information supplied by the offices of the head of school, the registrar, technology, and human resources. To the best of our knowledge, listings are accurate as of September 2017. Please report errors to the human resources office.

Important Phone Numbers

Police/Fire/Ambulance	
From an Academy telephone	Dial 911
From a cell phone	978-470-3766
PA Public Safety	
From an Academy telephone	Dial 4444
From a cell phone or from off campus	978-749-4444
Emergency Messages/Voice Mail	
For recorded instructions or information during an emergency if normal telephone service is disrupted	877-445-5477
Snow or Other Campus Operations–Related Updates	
From an Academy telephone	Dial 4SNO (4766)
From a cell phone or from off campus	978-749-4766
Office of Physical Plant	4320 or 978-749-4320
Rebecca M. Sykes Wellness Center	4455 or 978-749-4455
Poison First Aid Center	800-682-9211
Holy Family Hospital	978-687-0151
Lawrence General Hospital	978-683-4000

SchoolDude CrisisManager App—Please Download!

To be sure you have the most up-to-date information, it is important to download the SchoolDude CrisisManager app to your personal mobile device. There is no need to log in or create an account to do so. Once you download the app, tap +ClientPlans, search for "Trustees of Phillips Academy," and tap "Campus Emergency Procedures."

Introduction

The mission of Phillips Academy with respect to emergency response is to safeguard the lives of faculty, staff, and students, lessen the extent of personal injuries that may occur, and protect assets in the event of an emergency or natural disaster. For most emergency situations contact Public Safety (ext. 4444) immediately. In an emergency requiring outside emergency services, call 911 first (978-470-3766 from a cell phone), and then Public Safety. Following is a summary of emergency response procedures. See/download the SchoolDude CrisisManager App for more protocols and details.

Bomb Threat

If you receive a telephone call or information stating a bomb is somewhere on campus, be calm, be courteous, and listen. Do not interrupt the caller. If possible, notify your supervisor or a public safety officer while the caller is on the line. Pretend to have difficulty hearing the caller, to keep the caller talking.

Make a note of the following:

- Your name, as well as the date, time, and number at which the call was received
- Caller's identity: male or female, adult or juvenile, approximate age
- Origin of the call: local, long distance, or internal
- Caller's voice characteristics/language/manner
- Caller's speech/accent; background noises

Ask the caller the following questions:

- When will the bomb go off?
- Where is it located?
- What kind of bomb is it?
- Where are you calling from?
- What is your name and address?

When the call is completed:

- Do not hang up the phone. Keep the line open or place it on hold.
- Immediately call Public Safety (ext. 4444) and advise them of the call.
- Write the message in its entirety, along with any additional comments.

Campus Evacuation

In the extremely unlikely event of a campuswide order to evacuate, students (both boarding and day), faculty, campus residents, and staff who do not have transportation to the evacuation site are to proceed to one of two evacuation points for attendance and to board buses for evacuation under the direction of the town of Andover public safety officials:

- Those assigned to Abbot Cluster and Pine Knoll Cluster will report to Cochran Chapel.
- Those assigned to Flagstaff Cluster, West Quad North Cluster, and West Quad South Cluster will report to the Case Memorial Cage.

The campus will be closed immediately, and updates will be placed on the emergency phone message system at 877-445-5477.

Emergency Lockdown / "Shelter in Place"

Lockdown and "shelter in place" are protective actions used to safeguard faculty, staff, and students by having them remain indoors during emergency situations (e.g., a campus intruder, sudden severe weather, or other hazardous conditions). In such situations, the community will be notified via universal email, text, and/or voice mail. Exterior building doors will be locked remotely.

- Students in outdoor areas should immediately take cover in the nearest building.
- Students in hallways should seek shelter in the nearest classroom.
- Lock and blockade classroom and other doors.
- Close and lock windows; close window treatments.
- Turn off the lights and sources of noise.
- Hide behind large objects and away from windows/doors.
- If the fire alarm sounds, do not evacuate the building unless you have firsthand knowledge that there is a fire in the building, you have been advised by the police or Public Safety to evacuate, or there is imminent danger in the immediate area.

Once it is determined that the campus is safe, the Academy will notify members of the community.

Active Shooter Response

Phillips Academy follows the A.L.I.C.E. protocol for active shooter response. A.L.I.C.E. is an acronym for Alert, Lockdown, Inform, Counter, Evacuate. This is not an order of activities, but rather a choice of options available to you in a crisis situation. In the unlikely event that an active shooter is in your vicinity, quickly determine the most reasonable way to protect your own life. Students should follow the lead of faculty members during critical incidents prior to the arrival of the Public Safety and Andover Police departments.

Alert: Inform people of the threat, using your cell phone or other means as possible.

Lockdown: If evacuation is not possible, find a place to hide where the active shooter is less likely to find you. Your hiding place should:

- Be out of the active shooter's view
- Provide protection if shots are fired in your direction (e.g., an office with a closed and locked door)
- Not trap you or restrict your options for movement

To prevent an active shooter from entering your hiding place:

- Lock the door.
- Blockade the door with heavy furniture.

If an active shooter is nearby:

- Lock the door.
- Silence your cell phone and/or pager.
- Turn off sources of noise (e.g., radio, television).
- Hide behind large items (e.g., cabinets, desks).
- Remain quiet.

Inform: Call 911 (978-470-3766 from a cell phone) and give as much information as possible to alert police to the active shooter's location. If you cannot speak aloud, leave the line open and allow the dispatcher to listen.

Counter: As a **last resort**, and only when your life is in imminent danger, attempt to disrupt and/or incapacitate the active shooter by:

- Acting as aggressively as possible against him or her
- Throwing items and improvising weapons
- Yelling and committing to your actions

Evacuate: If there is an accessible escape path, attempt to evacuate the premises. Be sure to:

- Have an escape route and plan in mind.
- Evacuate regardless of whether others agree to follow.
- Leave your belongings behind.
- Help others escape, if possible.
- Prevent individuals from entering the area where the active shooter may be.
- Keep your hands visible.
- Follow the instructions of any police officer.
- Generally, do not attempt to move wounded people.
- Call 978-749-4444 or 911 when you are safe.

Fire

If a fire is discovered or suspected, pull the fire alarm and evacuate the building. Designate someone to call 911 (978-470-3766 from a cell phone) once outside, and then call Public Safety (ext. 4444). Evacuation should be carried out as follows:

- When the fire alarm sounds, do not panic, but walk quickly to the closest emergency exit.
- Do not use the elevators. Do not use cell phones until you are safely out of the building.
- Walk in a single file and keep to the right through corridors and stairwells.
- Avoid unnecessary talking and keep the lines moving.
- Individuals requiring assistance in an evacuation should proceed to a stairwell entrance area and wait for assistance.
- If you encounter smoke, drop to the floor and crawl along the wall to the nearest exit. If you encounter a closed door, feel the door with the back of your hand. If the door is cool, carefully open the door and (if safe) proceed with the evacuation.
- Gather at the designated safe area while attendance is taken. Make sure you are at least 100 yards from the building.
- Notify the fire department and Public Safety if you suspect someone may still be in the building.
- If the door is hot, try another exit. If none exists, seal cracks around the door and vents with anything available. If in a dorm room, seal the space under the door with wet towels to prevent entry of smoke. Cracks around the door can be sealed with masking tape.
- If trapped, look for a nearby phone and call 911 (978-470-3766 from a cell phone), giving them your exact location. If you cannot contact the fire department by phone, wave for attention at the window.

No one is to return to the building until the fire department grants permission to do so.

Hazardous Material Spill/Leak

In the event of a hazardous material spill, notify your instructor, department chair, house counselor, or supervisor immediately. The faculty member should call Public Safety (ext. 4444) and the manager of Occupational and Environmental Safety (ext. 4320) immediately. If any individual has had contact with a hazardous material, use eyewash stations or showers to flush the eyes and skin. Evacuate the area if a dangerous condition exists.

Injury/Medical Emergency/Sexual Assault

Stay with the injured person at all times. Do not leave him or her alone at any time. DO NOT move an injured person except in a life-threatening situation. Look for signs that the victim is in an immediate medical emergency: impaired breathing; uncontrollable bleeding; unconsciousness; or evidence of physical assault.

In an immediate medical emergency, call 911 (978-470-3766 from a cell phone). If trained, administer CPR/first aid as needed until emergency personnel arrive. Identify an adult to accompany the individual to the hospital. In a non-life-threatening situation, call Public Safety (ext. 4444) and arrange transportation to the Rebecca M. Sykes Wellness Center if a student or to the Work Health Center, 25 Marston St., Lawrence, if an employee.

Attempted Suicide/Drug or Alcohol Overdose

If you discover someone who appears to be suffering from an attempted suicide or overdose, call 911 immediately (978-470-3766 from a cell phone). After calling 911, have someone contact Public Safety (ext. 4444). If no adults are present, send for one immediately (house counselor, faculty member, dean, etc.). Stay with the victim until emergency personnel arrive.

Sexual Assault/Rape

In the case of an immediate medical emergency, call 911 (978-470-3766 from a cell phone) and accompany the victim to the hospital. **Do not allow the victim to change clothes prior to a medical exam.**

If there is no immediate medical emergency, call or designate someone to call Public Safety (ext. 4444) for assistance in transporting the victim to the Rebecca M. Sykes Wellness Center if a student or to the Work Health Center, 25 Marston St., Lawrence, if an employee.

Power Outage/Severe Weather

Prolonged Power Outage

- In the event of a power outage during normal business hours, call the Office of Physical Plant Help Desk (978-749-4320). After hours, call Public Safety (978-749-4444) and provide your name, location, and telephone number. Advise the officer of all locations of which you are aware that are without power.
- Turn off computers and other electronic equipment.
- If you are in an unlighted area, proceed with caution to an area with emergency lighting.
- Do not use the elevators. If you are trapped in an elevator, remain calm and use the emergency call button or telephone for assistance.
- In the event the Academy experiences an extended disruption of on-campus telephone service, the emergency information line, 877-445-5477, will have recorded status updates.

Severe Weather

In the event of a severe storm with high winds or dangerous ice conditions, do not go outside—stay away from windows and other openings. Report any broken glass or tree damage to the Office of Physical Plant (978-749-4320) during normal business hours or to Public Safety (978-749-4444) after hours.

In the event of a severe thunderstorm:

- Power down computers and turn off other electrical equipment. (Never unplug electrical cords if lightning is occurring.)
- Avoid water fixtures, telephone use, and electricity-conducting materials.
- If you are in a building or car, stay there.

If you are in an outdoor area:

- Seek shelter in a secure building.
- Stay away from tall trees and their root systems.
- Stay away from anything metal.
- Stay away from bodies of water.
- To avoid electrocution in a sudden electrical storm, crouch close to the ground, hands on knees, but do not lie flat.

Enhanced 911 Addresses

If you encounter an emergency, use this list to identify the official address of the location.

1924 House ..... 104 Highland Road
Abbot Gym ..... 11 Abbot Campus Road
Abbot Hall ..... 24 School St.

Introduction

Access to telephones, calling services, and voice mail is a privilege. With this privilege comes a responsibility to use these services in a way that meets the school's expectations as expressed in *The Blue Book* for students and the *Phillips Academy General Policies Handbook*. Abuse of the Academy's equipment, services, or policies, or any form of telephone fraud, will not be tolerated.

Off-Campus Calling Information

General information.....Phillips Academy's main number: **978-749-4000**

Campus numbers ..... Faculty and administrative offices: **978-749-4xxx**, **978-684-72xx**, and **978-684-73xx**

Boarding students.....**978-623-6xxx**

Day mailboxes.....Call **978-749-4598** and enter the **2xxx** extension after the prompt.

On-Campus Calling Information

On-campus calls (calls to other PA extensions) can be placed by dialing the four-digit extension number.

Local Calling Information

Calls to local numbers are not billed and can be placed from any Phillips Academy phone by dialing 8 followed by the area code and phone number. The local calling area includes Andover, Chelmsford, Dracut, Lawrence, Lowell, Methuen, North Andover, North Chelmsford, North Reading, Tewksbury, and Wilmington. It is necessary to dial the complete 10-digit number when dialing locally.

Malicious or Harassing Calls

If you receive a malicious, obscene, or harassing call or voice mail message, press 7 to save the message, and immediately report the incident to your house counselor and/or Public Safety. Public Safety will coordinate efforts to trace and identify the source of the call. Call-detail information will not be released without approval from the dean of students, dean of faculty, or human resources office.

Restrictions

- All calls to 950, 900, and 800 numbers that charge back to the caller are blocked.
- Calls may not be charged back to any Phillips Academy phone number.
- Third-party and collect calls should not be accepted on any Academy extension.

Students found to be violating these restrictions will be charged $10 per incident.

Voice Mail

Phillips Academy's voice mail system is designed to make it easier for faculty and staff to exchange messages with each other and constituents. Messages can be retrieved from on- or off-campus locations via any touch-tone phone at any time. Please check your voice mail regularly, even if your message-waiting light is not lit, to prevent missing important messages.

For detailed instructions, including information on how to access voice mail, performing initial setup, and managing your mailbox and messages, visit the Office of Information Technology portal on the Faculty/Staff tab of PAnet.andover.edu.

How to Make Telephone Calls

Type of Call	*Dialing Instructions*
On campus	Dial the four-digit extension of the party you wish to reach.
To access voice mail	Dial 4598 (or 978-749-4598 from off campus).
Local	Dial 8 + the 10-digit telephone number.
Long distance	Dial 8 + 1 + the number you are calling (faculty, administrators, and staff only).
International	Dial 8 + 011 + country code + the number you are calling (faculty, administrators, and staff only).
Toll-free numbers	Dial 8 + 1 + 800 (or 877/888) + the seven-digit telephone number.
Domestic calling card	Dial 8 and follow the instructions printed on the card or provided by the long-distance provider.
International calling card	Dial 8 and follow the instructions printed on the card or provided by the long-distance provider.
Emergency	Dial 911.
Phillips Academy operator	Dial 0.

From off campus, dial 978-749 and the extension provided below (unless otherwise noted).
